WITH **Infocomm,**  
**YOUR FUTURE CAREER**  
 IS A MERE TOUCH AWAY

With infocomm, your future career is a mere touch away. With the National Infocomm Scholarship (NIS), your dream of shaping the future of infocomm becomes possible. Through a partnership with key players in the infocomm industry, the NIS provides you the opportunity for both an infocomm career with an organisation of your choice as well as the prestige of a government scholarship.

WITH THE sponsorship of  
**A LEADING ORGANISATION**  
**THE FUTURE**  
 IS YOURS TO CHOOSE

WITH THE NATIONAL INFOCOMM SCHOLARSHIP, you get to choose from a range of prestigious organisations to serve your bond with after your studies. There is no better way to kick-start your journey than by choosing your own path with the best in the business. You'll learn the finer points of leadership from the captains of industry en route to becoming one yourself.

## BENEFITS OF NIS

**OVERSEAS AND LOCAL WORK ATTACHMENTS WITH THE BEST IN THE INDUSTRY**  
 You will have the opportunity to learn your trade at leading organisations in the infocomm and other economic sectors such as finance & banking, media and utilities, and be at the forefront of the latest industry developments. What's more, a 6-month attachment with a participating organisation at its overseas/local office will provide you with a broader perspective of the industry to stand you in good stead for your future career.

**FAST TRACK BACHELOR'S-MASTER'S DEGREE PROGRAMMES WITH LOCAL AND REPUTABLE OVERSEAS UNIVERSITIES**  
 These programmes pave the way for you to learn amongst the brightest minds at prestigious institutions like Brown University, Carnegie Mellon University and Georgia Institute of Technology. It also allows you to acquire two degrees in the time it takes to get one.

**SHORT BOND PERIOD TO GIVE YOU GREATER FREEDOM IN CHARTING YOUR CAREER PATH**  
 A short bond period of 1 to 5 years will give you the freedom to seek fresh challenges and maximise your potential.
