# Nomination for Infocomm Club Ambassadors

> The Infocomm Club Ambassadors' programme is one of the club's initiative to provide students an opportunity to be part of the club's students council. The objective of this programme is:

- 1.To foster **leadership** quality, **self-confidence**, **interpersonal** skills and **creativity** to the students
- 2.To help students discover their Infocomm potential through acquiring skills and knowledge outside their school activities
- 3.To cultivate in students instincts to serve the community, society and their nation

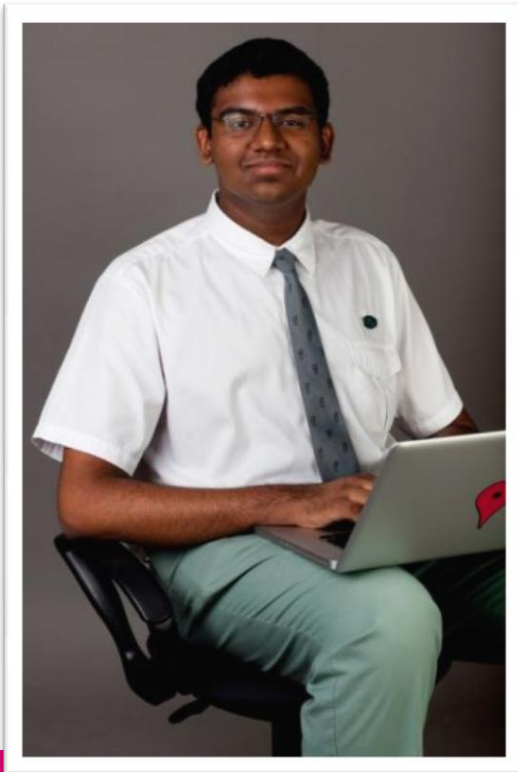

# Vishnu Prem
